# Advice to applicants

Please read the following information before applying.

## THE SELECTION PROCESS

Sorell Council positions are filled in accordance with suitability for the position, the relative merits of the candidates and relevant legislative requirements.

Merit and suitability are assessed through a selection process that comprises the written application, the applicant's performance at interview, any assessment tools that are utilised and referee reports.

## YOUR APPLICATION

Job applications need to be clear and concise as this is the first step in demonstrating your relevant knowledge, skills, qualifications and experience. All applications will be considered based on the essential and desirable requirements of the positions (the selection criteria is sometimes referred to as required attributes). The selection panel reviews all written applications and short-listing for the interview is based upon statements addressing the selection criteria. Many applicants do not proceed past this first stage of assessment due to failing to provide sufficient information in their applications.

Your application should provide information that demonstrates the following:

- ◆ **Your knowledge and skills against each of the selection criteria citing relevant examples.**
- ◆ **Your experience and qualifications and/or ability to develop the skills required.**

## THE FORMAT OF THE APPLICATION

### Cover letter

It is recommended that you include a short covering letter that introduces yourself and details the reason that you are applying for the position.

### Resume

A resume is a history of your employment and work experience and should cover the following areas:

- ◆ Your employment history in reverse chronological order, starting with your current employment.
- ◆ Details of the positions that you have held, including employment dates, capacity in which you were employed (e.g. full-time, part-time, casual), where you were employed and brief outline of the main duties and responsibilities.
- ◆ Your educational qualifications. This should include the title of your qualification, the year awarded and the title of the institution attended. Copies of your academic qualification should also be attached.
- ◆ Information regarding training courses or developmental programs that you have attended should also be included.

## SELECTION CRITERIA

A statement addressing the selection criteria must be included with your application.

Please note, applications that do not address the selection criteria will not be considered for interview.

The selection criteria represent the minimum level of knowledge and skills that individuals will need in order to satisfactorily perform the duties of the position. You must address each criterion in your application citing relevant examples on how you believe you meet or have the potential to meet the requirements. The criteria should also be addressed in terms of the major duties of the position for which you are applying.

Applications are rated against the selection criteria in order to short-list candidates for interview and then to select the most suitable and meritorious applicant from the field of candidates interviewed.

In addressing the selection criteria you should consider the following guidelines:

- Read the selection criteria carefully and identify the major factors in each selection criterion. Determine how you meet each criterion.
- When making a statement on how you meet the criteria, cite relevant examples that detail how you were involved in a process, or how you applied a relevant skill or ability. In providing evidence or support your achievements, explain how you were successful.
- Check that you have addressed the major factors.
- It is not sufficient to simply state that you meet the criteria without explaining how.
- The suggested length of response should be approximately half-one page per criteria.
